

General Intercessions for Peace in Sudan

Reader: The response is: "Lord, bring your peace."

We pray for the people of Sudan in the wake of the southern Sudan referendum on independence: that the desire for peace will overcome the temptation toward conflict. **We pray to the Lord....**

We pray for all in Sudan who, as a result of decades of violent conflict, have lost family members, suffered torture, been displaced, or become impoverished. **We pray to the Lord....**

We pray for all peacemakers in Sudan who are working to resolve conflicts and foster peace and reconciliation in their neighborhoods and communities. **We pray to the Lord....**

We pray for decision makers and all people of goodwill in the United States and around the world, that they may use their influence to foster lasting peace in Sudan. **We pray to the Lord....**

We pray that we will be inspired to stand in solidarity with our brothers and sisters in Sudan who are working for peace. **We pray to the Lord....**

We pray that we might better respond to the cry for peace of people throughout the world who are affected by violent conflict: for those who have died, who have been displaced, who have suffered injury or lost loved ones, who suffer famine and poverty, who struggle to envision a return to peace. **We pray to the Lord....**
