General Prayer for Peace in Sudan

Prayer for Peace in Sudan (post referendum)

*Lord Jesus, you said to us,
“I leave you peace. My peace I give you.”
Look upon your sisters and brothers in Sudan,
and grace them with your peace in the wake of the referendum.
Send your Spirit to guide them continually.
Give them the wisdom they need to forge a future where all will know your true peace.
You call all of us out of slavery, oppression, and persecution
so that we may have life in abundance.
Grant us peace with one another. Give peace among ethnic groups.
Help us to work together for the good of all.
We ask this through Christ our Lord. Amen.
Mary, Queen of Peace, pray for us.*
